Hepworth Marine International will be participating at the SMM 2014 exhibition, which is being held at Hamburg Messe and Congress GmbH Germany, from 9th – 12th September 2014.

Considered to be the world's leading trade fair for the maritime industry and with over 50,000 visitors from all over the world in 2012, SMM continues to cement its position as the most important event in the maritime industry calendar, year after year. The extremely high number of visitors reflects the broad range on offer at this trade fair; SMM is attended by top shipbuilders, key players in the value chain, operators and service providers.

Visit us on Stand No 615 in Hall B where a very warm welcome awaits you and we look forward to seeing you at the show.

Rail

The coming weeks see the final preparations of new products for the Rail Division to present at the upcoming Innotrans 2014 exhibition in Berlin, where you can find us in Hall A, Stand 509. The team have been busy ensuring that several new product innovations are included in the overall presentation of the company and are excited to introduce such products as the Manual and Electric Back-Up Motors to the market.

Hepworth Rail International would also like to take this opportunity to introduce our new Rail Aftersales Manager, Ian Lockett who will be overseeing all aspects of the overhaul potential within the market. We wish him well!
