5. Fabrications

1. Norway Newbuilds

Our distributor in Norway Servi, have received orders for 6 newbuild vessels with a total of 218 Straight Line wipers. Four vessels having 40 Wynn Straight Line Type D wipers each with Servi Vision Control. Then another two boats with 28 Straight Line Type D Wipers each, also with Servi Vision Control.

Furthermore, there is another order of 11 Wynn Straight Line Type D wipers and one more order for 6 Straight Line Type D wipers with a 1000 Series Controller. In addition, there are a few more smaller orders that have been received by Servi.

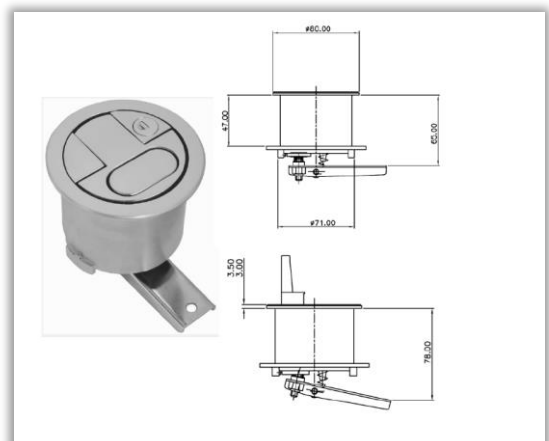

2. Hepworth Rail

Our Rail team have won three projects and are continuing to support our customers and making quotes worldwide.

4. Upcoming Exhibition – Tallinn Boat Show March 8 -10

Marintech Group could be found at Hall D, yellow circle around of the logotype. It is a parent company of Marintech MT Ltd, who are our distributor in the Baltic states.

Paas D halli

The Fabrications team have been working on a project for a new customer in the Automation and Injection Moulding industries.

Working to the clients designs we have been fabricating and welding a series of Chutes, Hoppers and Assemblies that will form part of a production line manufacturing medical components.

The customer has viewed one of the chutes this week and has paid particular compliment to the quality of the welding.
